Note:	250-7507 BLUETOOTH CONTROL MODULE IS COMMON TO ALL MODELS				
1. Due to the nature of audio components and OEM Model Year running changes, the application data may vary. Rostra does advise that you confirm the audio source properly integrates with the plug-in harness PRIOR to any dashboard alteration - in the event the vehicle has a deviated sound system. To assure you are prepared for deviations, Rostra recommends to carry the full line of kits.					
2. System with separate amplifiers are identified with notation "SEPARATE AMPLIFIERS". These systems interface with driver-side door speaker at the connector located at the driver side "kick panel". Rostra will continue to develop kits for this type of application over the coming months.					
3. Coming in 1Q2010, bluetooth installation video's and pictures online at www.rostra.com .					
4. Any discrepancies or updates to the above application data should be emailed to bluetooth@rostra.com
